EDUCATION

MA, Communication Studies

09.2024 - 06.2027

National Yang Ming Chiao Tung University | GPA: 4.13/4.3

BA, English Language and Literature & International Business

09.2019 - 01.2024

Providence University | GPA: 3.7/4.3

EXPERIENCE

Financial / Administrative Secretary | Taiwan Psychological Association

01.2026 - Present

- Organized receipts, accounting records, and membership data to support administrative workflows.
- Managed document tracking and cross-unit communication to ensure smooth operations.

Vice President | Graduate Student Association

02.2025 - 12.2025

- Developed the "Xiao Jing" IP to address low engagement and content differentiation issues.
- Extended the IP into a podcast series, reaching ~1,000 views and 40% engagement rate.

Vice President | Campus Cultural Service Club

04.2021 - 04.2022

- Led a team of 40+ members to execute "Service Night" (100+ attendees)
- Managed timeline and cross-team coordination for smooth event delivery

PROJECTS

User Research & Competitive Analysis | Case Study "KKday"

01.2026 - Present

- Conducted interviews and usability testing to analyze travel planning and booking behaviors.
- Identified that travel companion types influence product evaluation criteria and information needs.
- Proposed scenario-based recommendations, suitability labels, and product presentation improvements.

AI Interaction Design Project | "Bamboo Fox AI Chatbot"

08.2025 - 12.2025

- Conducted Contextual Inquiry interviews to identify user needs and information gaps.
- Structured chatbot flows, prompt logic, and knowledge architecture for information integration.

Campus Cultural Marketing Project | "Bamboo Fox x MeiChu Games"

08.2025 - 12.2025

- Proposed campus participation activities, including a campus relay run and "MeiChu Hall of Fame" exhibition.
- Planned offline activities and interactive mechanisms to extend brand participation experience.

Cross-Media Narrative Project | "The Enigma of Bamboo Fox"

02.2025 - 06.2025

- Reimagined a campus mascot through storytelling, user flow design, and Figma prototyping.
